Aramark SAFE Pledge

I commit to working safely in every task to protect myself and everyone around me.

I will:

1. Follow all safety instructions provided by my supervisor.
2. Be familiar with and abide by all Aramark policies and procedures, including required training.
3. Never take shortcuts at the expense of safety.
4. Use the personal protective equipment provided to me.
5. Wash my hands before starting work and keep them clean when handling food.
6. Report foodborne symptoms or illnesses to my supervisor.
7. Identify and correct unsafe conditions, and report them to my supervisor.
8. Report any injury, even minor, to my supervisor immediately, and any near-miss that could've resulted in an injury.
9. Use the right equipment and utensils for the task.
10. Keep three points of contact when climbing ladders or using stairs.
11. Ask for help and never try to lift what I know I can't.
12. Always use equipment such as carts and hand trucks to move materials, when possible.
13. Comply with my location's standards for the storage and handling of chemical products.
14. Address all spills of chemicals, grease and oil by immediately warning others and initiating spill response.
15. Report all outdoor spills and releases of chemical, grease and/or oil to my supervisor.

And, when in doubt, I will ask!
