

Hello all,

My name is Rob Stosic and I am the chairperson for the very first “Driven to Give” Test drive event program offered by Lincoln Motor Company.

Benson Lincoln will be our Host this year at “NO CHARGE” to the TJ Band.

\*The way the program works is we will earn monies for every test drive in a New Lincoln.

1- Date of Event Sunday, August 13<sup>th</sup> 2017 9:30 – 1:00 (later if needed)

2- Maximum earnings = 300 test drives @ \$20.00 = **\$6,000.00**

Take another test drive (bonus drive) up to 200 additional @ \$10.00= **2,000.00**

Totally free to the TJ Band **\$8,000.00**

3- Must be 18 years of age or older

4- ONLY one driver per household

5- Participants will have to register by IPAD (on site) to get donation

**\*I am looking to make this into an Event and not just test driving a car.**

Other schools have done Car washes, bake sales, 50/50, refreshment stand, etc.

\*I have secured a permit from the school, restrooms and water hookup for the car wash (Benson is donating their mobile power car wash)
