Dear Friends:

We are requesting that you bring a non-perishable food item to our festival. There will be a booth where the donations will be accepted. All of the donations will benefit the Cloverleaf Area Food Bank. Along with canned goods, prepackaged side dishes, snacks, pasta, rice and condiments are needed.

Our food bank is located on the campus of St. Elizabeth Church but is supported by eight local churches of different denominations. We provide assistance to people in our immediate area, regardless of religious affiliation, who are experiencing financial difficulties and unemployment along with a food pantry which is open every Tuesday.

We continue to register new households each week. Our food pantry provides food for over 150 families on a regular basis. Without the support of people like you, we would not be able to continue to serve the needy families in the local community.

Sincerely,

Jackie Grachen
Director
