The Thomas Jefferson “Jaguar” Marching Band  
2018 Fall Festival of Bands!**

Dear Community Member,

I'd like to start by thanking you so very much for your consideration in making a donation towards our 2018 Band Festival. It's donations from community businesses like yours that allow us to provide for the students and enhance their experience in the band program throughout the entire school year!

Your donation will include an advertisement in the program for the *2018 Fall Festival of Bands*, to be held on October 6th at the Thomas Jefferson High School Stadium.

Community-minded organizations such as yours help keep the music in the hearts of our children! You have been a proud supporter of the Thomas Jefferson High School Marching Band in the past, for which we are truly appreciative! We look forward to your help and support again this fall season, and anything you are able to do would be great!

Attached is a listing of the various levels of contribution you may make, and what you'll receive for each level of participation. You may contact me via e-mail or cell phone to discuss your ad and level or donation, or simply return the form with your company ad.

Sincerely,

Krista Gage  
Corporate Fundraiser Committee Chair
